## PRODUCT STATUS

The Hex Sleeve Bolt is available in six published lengths from 3-1/4 in through 8-1/4 in, in 1-inch increments. Unit pricing is established by selected length. Material, finish, marking, packaging, certificate, delivery, and other order-specific requirements are confirmed during review.

## ORDER REVIEW

Submit the required configuration, quantity, delivery location, and any non-controlled drawing reference to [orders@merrick-defense.com](mailto:orders@merrick-defense.com). Merrick Defense will confirm final price, availability, documentation, freight, and payment terms before fulfillment. Do not submit classified, export-controlled, or otherwise sensitive technical data through public email or website forms.
